Table of contents

1. Safety Rules
   1.1. Please follow the rules depicted in this manual closely to ensure your safety.
1.2. Be aware of any edges, uneven surfaces, metal parts, or sharp components to avoid cuts and injuries.
1.3. Do not attempt to modify, repair, or dismantle the Bluetooth Stereo Headphones. This may void your warranty and can be dangerous.

2. Package Contents
   2.1. With hazardous elements.

3. Do not use the Bluetooth Stereo Headphones in an environment where there are hazardous elements.

4. How to use
   4.1. General Functions
       4.1.1. On/Off
           - Turn the device on/off using the MFB button. An LED light and a beep indicate the turn on/off status.
       4.1.2. Play/pause
           - Press the MFB button for 1-2 seconds to play/pause the music.
       4.1.3. Multi-point
           - Connect the Headphones to a phone and an entertainment system.
       4.1.4. Charging
           - Place the Headphones in the charging case. The red LED light will indicate the charging status.

5. Technical Specifications
   5.1. DSP Specification

6. FAQ
   6.1. Why is there no power when the Stereo Headphones is turned off?
   Ans: When the indicator LED turns from red to blue when it is activated.
   6.2. Why does the device deplete the battery quickly?
   Ans: Ensure the battery is being charged up to 6 hours for first time use.
   6.3. Why does the device work well when using a Bluetooth adapter to enable the Bluetooth function on your computer?
   Ans: Check the connection between your device with phone or a computer.
